Dear Beau,

Well, the results are in, and it's official: is not a nice person. I got a letter from John Z today in which he says says you are a hustler who is trying to make money off Ted. I wrote back immediately and told him she's wrong. I wanted to let you know so that you could make certain to not trust her.

sounds like a jerk. I'm sorry she crossed your path.

Talk to you soon,

Derrick
